

Qualifying and Registering Students for ESY-Teacher Responsibilities

After the Registration has been Completed

<p>Enrollment and Parent Communication</p> <p>The ESY Coordinator will review all registrations and IEP's and contact you about any questions or concerns. Once everything is taken care of you will need to communicate with the parents about the student's enrollment in ESY and the site they will be assigned to. Please answer any questions or connect them with the ESY Office.</p> <p>The ESY office and ESY Teacher will also be communicating with the parents.</p>	<p>Communication with ESY Teacher</p> <p>After Spring Break your student's ESY Teacher will be contacting you. Please give them information about your students to help them work with your student as effectively as possible. Please also share any materials you have for the student with the ESY Teacher.</p>
